

YEARBOOK Package Information

DEADLINE: All materials must be delivered to Hazel Turrubiarres by **March 19, 2023.**

Each spring season NAGS produces a yearbook for all our registered players. This memory keepsake is made possible by ads that each team must sell as well as photos taken by our League Photographer.

Each team will provide:

Sponsorship Ad – Cost for this ad is \$300.00. We highly recommend teams contact local businesses for ads. The cost for the ad is tax deductible for businesses (Tax ID 95-4088259). Electronic artwork (business card size) is preferred for the ad. If a paper copy of the ad is being provided, please, make sure it's clear and legible.

- A team can have more than one ad/sponsor, but will have to provide all ads at the same time. Teams can decide how to split the cost of an ad amongst multiple sponsors.
- Please do not staple/tape/attach ads to this form.
- If a team cannot find a local business then the parents on the team are responsible for the ad fee of \$300.
- Please ensure checks are made payable to **NAGS**.
- Questions regarding this program should be directed to the Yearbook Editor at (Yearbook@nags.rocks).

Team Photos – Please read carefully as our process has changed. Each team may opt to provide 5 photos including Opening Day, and other event (such as practice) group photos for yearbook consideration. A drop box link will be sent to team managers for uploading by March 1, 2023. If you will be submitting photos, please make sure photos are clear and of a high resolution to meet yearbook image requirements.

Please enclose your Sponsor Ad, Check, and Team Photos in an envelope with a copy of this form. Make sure to fill out the bottom part of this form. Note your Team name and Division on the envelope too.

PLEASE SUBMIT ALL YOUR MATERIALS AT THE SAME TIME
